M.Sc./P.Grad.Dip./P.Grad.Cert. in Gerontological Nursing

COURSE OVERVIEW

This course is open to a wide range of professionals who have experience in delivering a gerontological care approach within practice.
Course Overview
Students will be provided with an advanced grounding in methods of research, in addition to developing the theoretical and practical aspects of management, clinical practice and education in Gerontological Nursing. Students will be required to undertake specialist clinical placements as a staff nurse in the Department of Medicine for Older Persons, St James’s Hospital, or another approved clinical location.

Structure and delivery
**Year One:** commences with a full week in September and thereafter one day per week for the remainder of the academic year.
**Year Two:** attendance at workshops throughout the academic year
A blended learning approach is utilised in the delivery of theoretical content which includes lectures, group discussions and self-directed learning. The assessment process is a combination of written and practical assignments. This course includes clinical and practice based learning and assessment and students may be required to attend additional sessions at associated service provider sites as well as at the student’s practice base during year one of the course.

Modules (ECTS are listed in brackets)
**Postgraduate Certificate in Specialist Practice**
NU7306 Promoting Health and Wellbeing of the Older Person (10)
NU7307 Advancing Gerontological Nursing Practice (10)
NU7807 Fundamentals of Palliative Care and End of Life Care (10)

**Postgraduate Diploma in Gerontological Nursing Year One**
NU7004 Advancing the Theoretical Foundations of Gerontological Nursing (10)
NU7013 Theory and Practice of Enquiry Methods for Healthcare (10)
NU7306 Promoting Health and Wellbeing of the Older Person (10)
NU7307 Advancing Gerontological Nursing Practice (10)
NU7303 Clinical Practicum (10) and one of
NU7005 Ethics and Law in Health and Social Care (10) or
NU7807 Fundamentals of Palliative Care and End of Life Care (10)

**Master in Science in Gerontological Nursing Year One**
NU7004 Advancing the Theoretical Foundations of Gerontological Nursing (10)
NU7013 Theory and Practice of Enquiry Methods for Healthcare (10)
NU7306 Promoting Health and Wellbeing of the Older Person (10)
NU7307 Advancing Gerontological Nursing Practice (10)
NU7303 Clinical Practicum (10) and one of
NU7005 Ethics and Law in Health and Social Care (10) or
NU7807 Fundamentals of Palliative Care and End of Life Care (10)

**Year Two**
NU8007 Dissertation (30)
