School of Nursing and Midwifery International School 2023

About the Programme

We are delighted to offer international nursing and midwifery students this great opportunity to combine learning about nursing and healthcare in Ireland with an active programme that includes exposure to clinical practice and experience of Irish lifestyle and culture. The programme is designed for groups of undergraduate Nursing and Midwifery students in higher education institutions who are interested in exploring different cultures and obtaining a global view of nursing as part of their university programme.

The programme includes:

- Clinical observation in a centre of excellence
- Clinical simulation
- Lectures on multiple aspects of Nursing and Midwifery in the Irish context
- Insight into leading healthcare research
- Guided Tour of our Historic Campus
- Guided Tour of the Book of Kells
- Readers access to the Trinity College Dublin copyright Library
- Cultural experience including a night of Irish traditional Music and Dance and the historically and culturally significant Croke Park GAA, Museum, Stadium and Skyline Tour

Accommodation must be booked separately. Campus accommodation is available in the summer only. A discount code is available on request. Advice on accommodation is provided upon application.
