Course Outline
The M.Sc./P.Grad. Dip./P.Grad.Cert. in Specialist Nursing (Cardiovascular) is designed to provide the student with the appropriate level of knowledge, clinical expertise and technical skills necessary to function as a competent, effective and caring practitioner. There is a strong commitment to research-based practice, and a focus on the development and integration of theoretical knowledge and clinical experience.

Structure and Delivery
The course is offered on a two year part-time basis. This course includes clinical and practice based teaching, learning and assessment and students may be required to attend additional sessions at associated service provider sites as well as at the student’s practice base during year one of the course.

Year One: Commences in September with one full theory week and thereafter one day per week for the remainder of the academic year.

Year Two: Attendance at workshops throughout the academic year.

Year 1
Specialist Modules
NU7591 Cardiovascular Health and Wellbeing
NU7592 Management of a Patient Undergoing Therapeutic Interventions
NU7593 Specialist Nursing Management of a Patient with Cardiovascular Illness
NU7534 Supervised Practice Placement (Cardiovascular)

Core Modules
NU7013 Theory & Practice of Enquiry Methods for Healthcare
NU7020 Leadership, Quality Improvement and Governance

Year 2 Module:
NU8007 Dissertation

Entry Requirements
The criteria for admission are that the candidate must have:
- current registration on the appropriate division of the live register held by The Nursing and Midwifery Board of Ireland
- a minimum of two years post-registration clinical experience since first registration
- 12 months experience (within the last two years) in the specialist area being applied for
- an honours degree in nursing or a related discipline or equivalent professional and academic qualification or satisfy the selection committee that they have the academic ability to successfully complete the programme
- additional criteria may be required by individual Health Service Providers
