

# Are you engaged in clinical teaching? Want to know more about clinical simulation?

26th May, 17th June and 9th July 2020

Trinity Simulation Suite, Trinity Centre, St James Campus, Dublin

## Clinical Simulation Workshop (3 Days)

26th May, 17th June and 9th July 2020

On completion of the 3 day workshop, participants will know how to develop and manage their own simulation sessions.

### This 3 day workshop includes:

- **Theory:** educational strategies for simulation practice
- **Develop:** scenarios to suit your clinical practice
- **Apply:** integrate scenario into software
- **Technology:** 3G high-fidelity patient simulators
- **Troubleshooting:** potential challenges and how to manage them
- **Manage:** your own simulation session
- **Evaluate:** how to measure outcomes
