Key Facts

Duration of the course	4 years
Apply	www.cao.ie
CAO Code	TR097 Intellectual Disability Nursing - Level 8
Awarding Body	The University of Dublin

Introduction to Intellectual Disability Nursing:

Upon successful completion of this course, students will be awarded a B.Sc. (Cur.) Intellectual Disability Nursing from the University of Dublin. They will be also eligible to apply for entry onto the Intellectual Disability division of the Register of Nurses and Midwives maintained by the Nursing and Midwifery Board of Ireland (NMBI). The intellectual disability nurse provides therapeutic interventions, practical support, and nursing care for persons with an intellectual disability of all ages and abilities. The intellectual disability nurse may work with persons with an intellectual disability in a diversity of roles, from intensive physical nursing of individuals with a profound disability, to facilitative guidance in assisting children, adolescents and adults to live lives of the highest quality in the community.

Venues for learning:

Theory: School of Nursing & Midwifery, D'Olier Street; Trinity Centre for Health Sciences, St James's Hospital; main campus of Trinity College.

Practice: The linked Health Service Providers are Muiriosa Foundation and Stewarts Care Ltd and most practice placements occur in these sites. Students become employees of one of the Health Service Providers during their internship in the final year of the course

The application process:

All applications for this course must go through the Central Applications Office (CAO)

Career opportunities:

This course is an excellent basis for career advancement in the area of intellectual disability nursing and further health related or social care studies. The Bachelor in Science (Nursing) Intellectual Disability

Nursing course facilitates learning across wide and varied experiences and promotes flexibility for employment within and outside of the health service.
